## Step 2: Pass the robot test.

Create an EasyChair Account: Step 1

To create an EasyChair account you should have a valid email address and do the following.

1. pass a captcha to prove that you are not a robot;
2. fill out a simple form with your personal information;
3. follow the link we send to your email address to complete the account creation.

Please note that the use of EasyChair is subject to [our terms of service](#).

**Continue** 

## Step 3: Input your account information.

Create an EasyChair Account: Step 2

Please fill out the following form. The required fields are marked by **\***.

Note that **the most common reason for failing to create an account is an incorrect email address** so please type your email address correctly.

First name<sup>†</sup>:  

Last name:

Email:  

Retype email address:

**Continue**

## Step 4: Follow the instructions in the email from EasyChair.

### Account Application Received

We received your application. A mail with further instructions has been sent to the email address user.iwac2022@gmail.com.

#### If You Do not Receive the Instructions

If you do not receive our email with instruction on how to create an account, please read the following information.

Our mail server normally sends all mail within a few seconds. The following is an incomplete list of possible reasons for the problem.

*Incorrectly typed email address*  
This is still the most likely cause of delays.

*Slow mail processing*  
Some mail servers process mail for a long time. For example, your mail server may spend a lot of time checking incoming mail for spam.

*"Reply-me" mail protection.*  
Some mailers, when receiving an email from an unknown sender, ask the sender to send a mail with specific content to ensure that it has been sent by a human. Account-related emails in EasyChair are sent by a computer program, so if your email address uses such a protection, you will never receive our mail. If you have such a protection and it is configurable, configure it to accept email from the domain easychair.org.

*Mailbox problems and quotas*  
Some emails sent by EasyChair bounce back because the recipient mailbox is over quota.

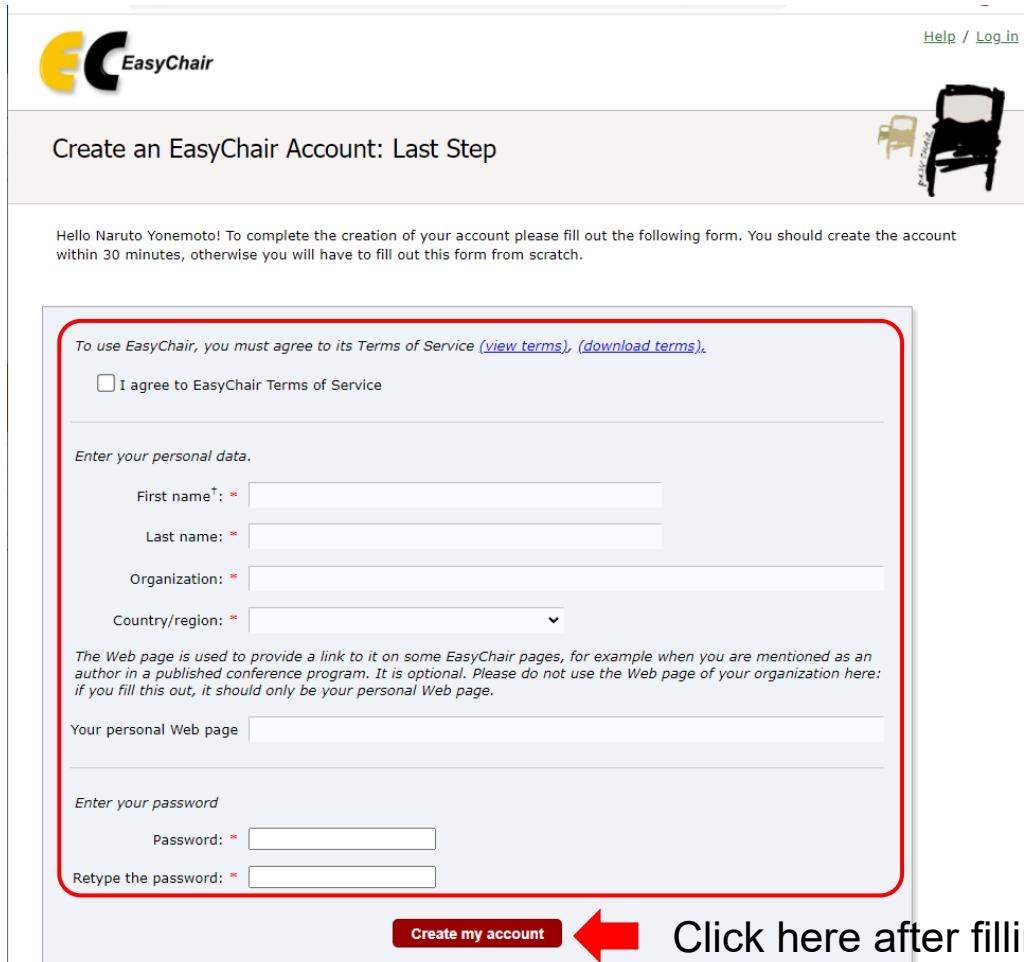

*Anti-spam filters*  
It is possible that your spam filters will classify our email as spam. Please check your spam mail boxes.

*General connection problems*  
There might be general connection problems, for example your mail server may be unreachable for a long time.

Unfortunately, we have no resources to cope with all possible kinds of mail server (mis)behavior. If you believe you have a problem related to your mail server and want to solve it quickly, either contact your system administrators or try to get and use an email address from one of major mail hosts, such as a Google Mail, Yahoo Mail, or Hotmail. You will be able to change your email address in EasyChair or have multiple email addresses associated with your account later.

You can repeat your application at any time. Another email will be sent to you.

## Step 5: Check your email and click the URL indicated in the account confirmation e-mail.

EasyChair

Create an EasyChair Account: Last Step

Hello Naruto Yonemoto! To complete the creation of your account please fill out the following form. You should create the account within 30 minutes, otherwise you will have to fill out this form from scratch.

To use EasyChair, you must agree to its Terms of Service ([view terms](#)), ([download terms](#)).

2. Log in and click “Make a new submission” under “Author” category.

**Note:**

- If you participate in multiple conferences in EasyChair, make sure to select the Conference “IWAC2026 (2026 International Workshop on ATM/CNS)”.

The screenshot shows the My EasyChair interface for the IWAC2026 conference. At the top, there is a logo for My EasyChair and the conference title "IWAC2026 2026 International Workshop on ATM/CNS". Below the title, there is a navigation bar with links for Conferences, CFP, Preprints, Slides, News, and EasyChair. The main content area displays the conference details: "IWAC2026 (2026 International Workshop on ATM/CNS)" and a message stating "You are logged in to IWAC2026 (2026 International Workshop on ATM/CNS)." Below this, there are links for "Author" (with "make a new submission" highlighted with a red box and arrow) and "CFP". The CFP section includes a link to "view call for papers". In the bottom left corner, there is a logo for ENRI. The right side of the interface contains a box with the conference title, location ("Tokyo, Japan, November 17-19, 2026"), and a table with conference details: Conference web page ([https://www.enri.go.jp/en/int\\_workshop/iwac2026.html](https://www.enri.go.jp/en/int_workshop/iwac2026.html)), Submission link (<https://easychair.org/conferences/?conf=iwac2026>), and Submission deadline (April 24, 2026). At the bottom, there are "Topics" listed: air traffic management, next generation airport operations, communication / navigation / surveillance, and related topics.

Topics: [air traffic management](#) [next generation airport operations](#) [communication / navigation / surveillance](#) [related topics](#)

3. Prior to filling the Submission form, authors must carefully check the “[Submission Instructions](#)”.

**Note:**

- (1) Detailed submission instructions can be downloaded from the Submission page.
- (2) Author templates are available for download from the Submission page.

The screenshot shows the IWAC2026 submission interface. At the top left is the EC logo and "IWAC2026 (author)". The top center features the conference logo "IWAC2026 2026 International Workshop on ATM/CNS". The top right has "User Guide / Log out". A navigation bar below includes "New Submission", "Templates", "Help", "Conference", "News", and "EasyChair".

The main content area is titled "New Submission for IWAC2026". It contains instructions: "Click on "Submission templates" to [download submission templates for this conference](#). Follow the instructions, step by step, and then use the "Submit" button at the bottom of the form. The required fields are marked by \*." A red arrow labeled (2) points to the "Submission templates" link.

A purple sidebar on the left is titled "IWAC2026 Submission Instructions" and says "This conference has its own instructions for authors. Press the button below to download these instructions." A red box surrounds the "Download in PDF" button, and a red arrow labeled (1) points to it.

4. Fill the Address for Correspondence.

Address for Correspondence

Address, line 1: \*

Address, line 2:

City: \*

Post code: \*

State (US only): \*

Country/region: \*  Japan

The required fields are marked by \*.

## 5. Fill the Author Information.

- At least one author must be marked as a corresponding author.
- At least one author must be marked as a presenter.

### Author Information

For each author please fill out the form below. Some items on the form are explained here:

- **Email address** will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for not corresponding authors. These authors will also have no access to the submission page.
- **Web page** can be used on the conference Web pages, for example, for making the program. It should be a Web page of the author, not the Web page of her or his organization.
- Each author marked as a **corresponding author** will receive email messages from the system about this submission. There must be at least one corresponding author.
- One of the authors should be marked as a **presenter**. If you are not sure, choose your best guess.

**Author 1** ([click here to add yourself](#)) ([click here to add an associate](#))

First name<sup>†</sup>:

Last name:

Email:

Country/region:

Organization:

Web page:

corresponding author

presenter

For a paper with more than three authors, click the link and add the authors' information.

**[Click here to add more authors](#)**

<sup>†</sup> Note: leave first name blank if there is no first name. If you are not sure how to divide a name into the first and last name, [read the Help article about names](#).

**Note:**

- Three slots are provided in default to enter author information.  
For a paper with less than three authors, leave the extra space/spaces blank.

## 6. Enter the title and abstract.

### Note:

- The abstract **must NOT exceed 400 words**. Authors should use the abstract to clearly state the objective of the paper, approach and the outcome of the study.

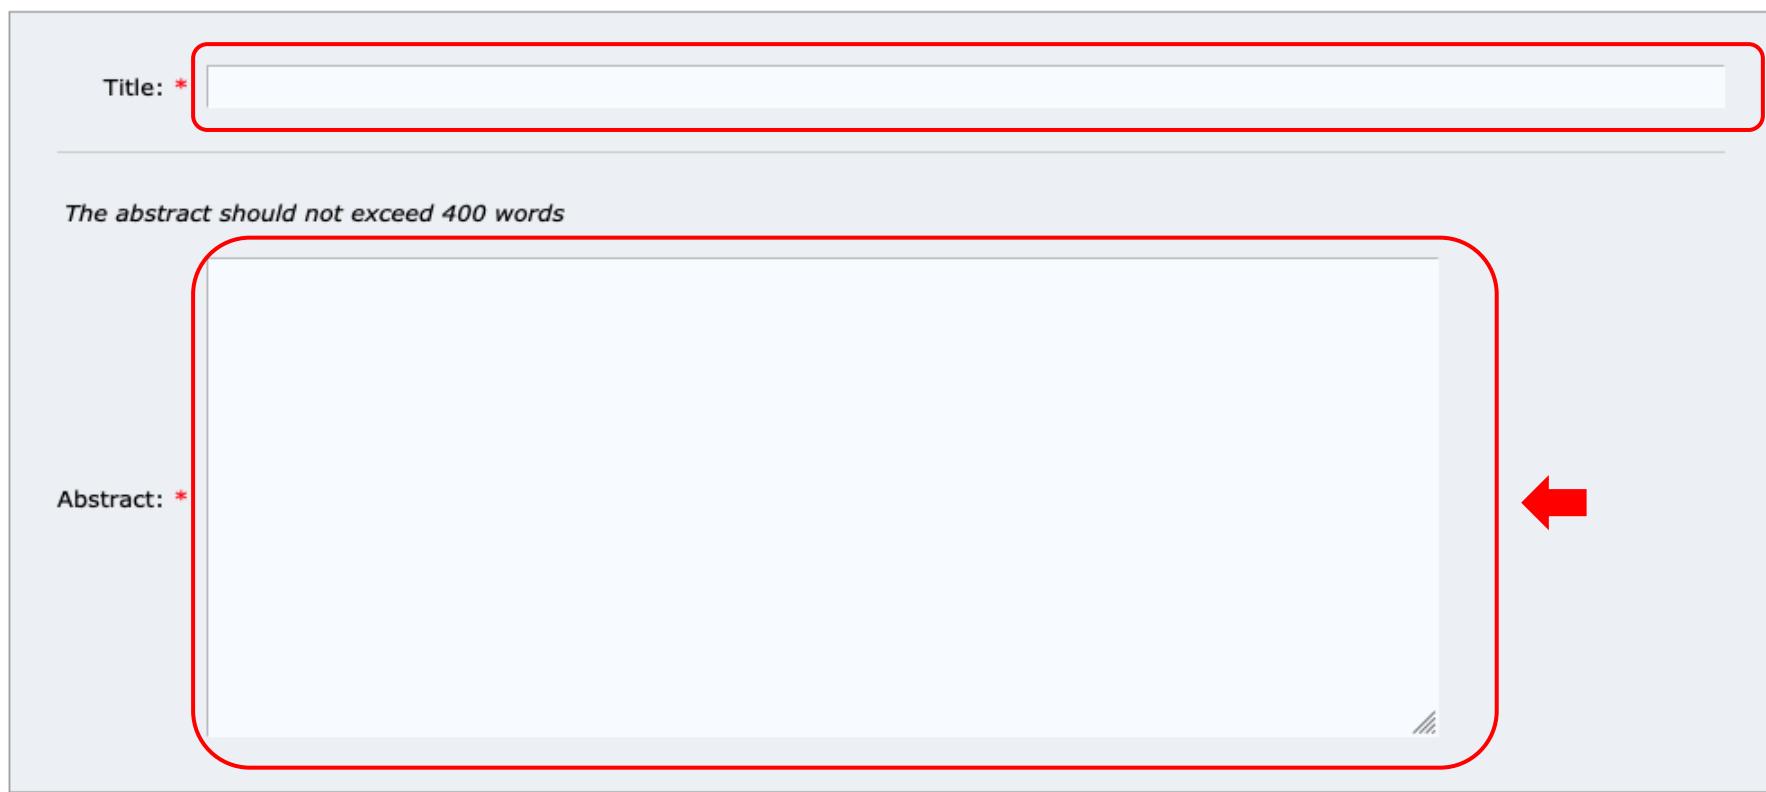

**Title and Abstract**

The title and the abstract should be entered as plain text, they should not contain HTML elements.

**Title: \***

*The abstract should not exceed 400 words*

**Abstract: \***

7. Enter **at least three** keywords which appropriately represent the contents of your paper.

**Note:**

- Enter one keyword per line.

### Keywords

Type a list of keywords (also known as key phrases or key terms), **one per line** to characterize your submission. You should specify at least three keywords.

Keywords: \*

## 8. Select two topics which appropriately represent the research areas of your paper.

**Topics**

Please select topics relevant to your submission from the following list. Topics are typically used for assigning submissions to reviewers and for conference analytics. **You must select exactly 2 topics.**

**Featured Theme: "Next-Generation Airport Operations"**

Advanced Surface Movement Guidance and Control System  Remote Tower  
 Improvement of Runway Throughput  Reduction of Environmental Impact around the Airport  
 Vertiports

**Air Traffic Management**

Advanced Air Traffic Operations and Management  Trajectory Prediction and Modeling  
 Airport Operations and Management  ATM Weather and Environment  
 Human Factors

**Communication, Navigation and Surveillance**

System Wide Information Management (SWIM)  Wired/Wireless Aeronautical Communications  
 Surveillance Systems (SSR, WAM/MLAT, ADS-B)  GNSS  
 Space Weather  Radar System, Data and Applications

**Related Topics**

Aviation Safety, Security and Resilience  Autonomous/Intelligent Systems  
 Information and Data Sharing Technologies  Virtual and Remote Technologies  
 Future Radio/Sensing Technologies  Emerging Aerial Vehicles (Drones, AAM/UAM, HAPS)  
 Others

9. Select the Track in which you want to present your paper.

**Other Information and Files**

**Track.** \* Select your preferred submission track.
